RE: Jim Roberts, Eclipse Inc., named President Elect of Metal Treating Institute (MTI)

Jim Roberts, Manager of Inside Sales with Eclipse Combustion, was elected as President Elect to serve as President for the 2013-2014 term. Jim joined Eclipse in 1985 and has been an active member of the Metal Treating Institute (MTI) through Eclipse, a member since 1995. Jim served two terms on the MTI Board of Trustees as well as Chair of the Associate Supplier Committee. Jim and Eclipse were awarded the Associate Member of the Year award in 2007 for their ongoing commitment to the betterment of the Metal Treating Institute and its membership around the world.

MTI, an international trade association, is the largest network of heat treaters in the world, with over 280 plants in 38 states and 6 countries, with \$1.3 billion in annual sales.

About Eclipse, Inc.

Founded in 1908, in Rockford, Illinois, Eclipse, Inc. is now under the third generation of family ownership. Eclipse, Inc. is a worldwide manufacturer of products and systems for industrial heating and drying applications. They design and manufacture a wide variety of gas and oil burners, recuperators and heat exchangers, complete combustion systems, and accessories for combustion systems. Eclipse, Inc. offers its customers an excellent single source for design, installation, and service for total combustion needs, supported by expert application engineering services, anywhere in the world.

Eclipse has been at the forefront of the combustion industry for over 100 years. This experience, combined with the legacy of growth, innovation and leadership has paved the way for Eclipse's emergence as a global provider of combustion products.
